"AMERICAN" is just a fine and thoroughly . . . aged beer . . . nothing more. People try it, like it and demand it.

Starting right, we've stayed right and we are going to keep straight on down the right brewing path—come what may.

**Our Insignia and  
Our Name - Potapskut**

A white explorer's Indian guide from the Eastern Shore, Southern Maryland or Virginia was probably responsible for the name Patapsco, which came into popular use about 1640.

Its roots were POTA (to jut out), PSK (ledge of rock), UT (at) Potapsk-ut thus meant "at the jutting ledge of rock", referring originally to those famed land-marks, the white limestone rocks at the common juncture of the River and our Rock Creek with the Bay; by extension these identified the entire River.

Thus our Association identifies itself simultaneously with the nearby River and the equally close White Rocks.

**ARTICLES OF ASSOCIATION**

**Article II - Section 1**

"The aim and purpose and objective of this Association shall be:—

To encourage and foster the sailing, navigation and handling, in races and in cruising, of sailing craft on the Chesapeake Bay and its tributaries, and to draw together by this common bond of interest and purpose the members of this Association."

## TROPHIES

Trophies will be awarded the winners of the series of races for the smaller boats. There will be three awards in a class of seven or more entries, 2 in a class of 5 entries, and one prize for three entries in all races. Trophies will also be given in any class not listed in which there are five or more entries.

The Stevenson Memorial Trophy is donated by the wife of the late F. M. Stevenson, Sr., who was one of our enthusiastic charter members, and is to be competed for by the Racing Class on Sunday. This is a perpetual trophy to be raced for each year.

The prizes will be awarded in front of the Club House immediately following the finish of the last race on Sunday.
